# Invitational Equipment & Readiness Guide

## Shooter Equipment – *Required* vs. *Recommended*

To ensure a safe, seamless, and successful experience on Sheep Mountain, we ask that you review the following:

### ***Required* Equipment**

The following items are required to ensure a safe and successful experience:

#### **Firearms & Safety**

- Gunwerks Rifle, Minimum caliber of 6.5 Creedmoor, Maximum caliber of .300 PRC (zeroed and long range data confirmed prior to arrival. You will have the ability to quickly check zero / data on Friday)
- Ammunition (recommended minimum: 80-100 rounds)
- Eye protection
- Ear protection
- Binoculars
- Laser Rangefinder (shooters will be required to range the targets)
- Ballistic App/Calculator if your rangefinder doesn't have ballistics

#### **Personal Readiness**

- Weather-appropriate clothing (layered for changing conditions)
- Durable footwear suitable for uneven terrain (hiking boots or equivalent)

### **Recommended Equipment**

The following items are recommended to further enhance performance and enrich your overall experience:

#### **Shooting Equipment**

- Bipod
- Rear bag
- Shooting tripod
- Magazine(s) or ammo carrier (3 or 4 round magazines are sufficient)
- Suppressor
- Sling

# GUNWERKS INVITATIONAL

SHEEP MOUNTAIN 2026

PARTICIPANT

---

## Optics & Ballistics Tools

- Wind meter
- Extra batteries / charging packs

## Personal Gear

- Lightweight rain jacket or windbreaker
- Warm puffy jacket
- Hat / cap
- Gloves
- Durable pants for rugged terrain
- Sun protection

## Field Essentials

- Day pack or backpack to carry your gear between stations.
- Water / hydration system
- Sunscreen
- Lip balm
- Snacks
- Small personal first aid kit

## Additional Gear

- Notebook
- Multi-tool or small repair kit
- Camera or phone for photos

## Travel Considerations

- Vehicle capable of handling rugged terrain (**4-wheel drive recommended**) for access to Sheep Mountain. There may be an opportunity to jump in with another competitor if your vehicle isn't capable)

## Final Notes

- Rifles must be properly zeroed prior to arrival
- Safety is our top priority, please ensure all equipment is in good working order
- Limited support will be available on-site
